Name of the proposed training program	kjhskdj
Coordinator Name	jkjkjk
Coordinator Mobile	9234234234
Coordinator Address	kjkkj
Background history of the Organization, Its activities in RE Development, especially capacity building	Background history of the Organization
Technology area of the proposed training program	5
other re area	
Objective of the Program	awsda
Target group to be addressed in proposed training program	`kjjhhj
Geographical area of operation	hjhjhj
Assessment of skilled manpower requirement in the area of operation based on projects implemented/systems installed as also the potential growth of penetration of renewable energy systems in the area of operation.	hjjhjh
Number of trainees proposed to be trained in one year (this should be based on assessment done in the area of operation)	8
No. of training programmers proposed in one year	8
Trainees proposed for batch/course/programmer	8
Duration of the proposed course	2
Selection Criteria of trainees	mnnmnm
Faculty Name	mnmnmn
Faculty Designation	nmn
Faculty Level	m
Infrastructure	mnnn
Course Material doc	Course Material doc
Methodology of imparting training	1
Guest Faculty Doc	2_guest_faculty_docpdfview (8).pdf
Content Letter doc	Content Letter doc
Core Guest Percentage Time	n bn
Tie up campus programmer	bn
Engaging trained programmer	bbn
Fee charged traniees	b
Anticipate impact	bn
Financial Proposal doc	Financial Proposal doc
