# Short Term Program

| | |
|---|---|
| Name of the proposed training program | asdasd |
| Coordinator Name | kjjkkj |
| Coordinator Mobile | 9977676767 |
| Coordinator Address | mnbnjbjhjh |
| Background history of the Organization, Its activities in RE Development, especially capacity building | 1_history_organization_doc_institute.pdf |
| Technology area of the proposed training program | 4 |
| other re area | |
| Objective of the Program | asdas |
| Target group to be addressed in proposed training program | kjjkj |
| Geographical area of operation | jkjkjk |
| Assessment of skilled manpower requirement in the area of operation based on projects implemented/systems installed as also the potential growth of penetration of renewable energy systems in the area of operation. | jkjkjkjk |
| Number of trainees proposed to be trained in one year (this should be based on assessment done in the area of operation) | 2 |
| No. of training programmers proposed in one year | 12 |
| No.of trainees proposed for batch/course/programmer | 2 |
| Duration of the proposed course | 2019 |
| Selection Criteria of trainees | szdfs |
| Faculty Name | kjhk |
| Faculty Designation | jkjk |
| Faculty Level | jkjk |
| Infrastructure | jkjk |
| Methodology of imparting training (both theoretical and practical) including pedagogy | 1 |
| Percentage of time devoted by core faculty and guest faculty in a particular training program | adsasd |
| In case of Off-campus programmes, tie-up with local organizations for venue and other infrastructure to be clearly spelt out | asdas |
| If the organization has tied up with some industry, system integrators, installers, EPC etc. for engaging the trained manpower, the same may be spelt out. | kjnk |
| If any fees is being charged from the trainees, that may also be included | jjk |
| Anticipated impact of the training programme on life of trainees as well as in the quality improvement of RE programme | kjj |

**Signature of program coordinator :**

**Name and Signature of Concern authority with Seal:**

**Ministry of New and Renewable Energy Centre**

**Designed & Developed by National Informatics**
